

The Global Annual Energy Meeting

"The Coming Energy Market", 3rd edition

Challenges for energy policy in a changing world: geopolitics, non-conventional gas and European energy strategy

Tuesday 25th November 2014, 9.00 am

ESADE's Center for Global Economy and Geopolitics (ESADEGeo) will be hosting –together with KIC InnoEnergy, the Boston Consulting Group, Energía y Sociedad and Aspen Institute España – another edition of its Annual Meeting on Energy Strategies. The event aims to consolidate itself as both a convener and a forum for discussion for policy makers, sector analysts and business executives, in both energy-consuming and energy-supplying industries
