Dear Professor Mendoza

Accreditation

I am now able to confirm that re-accreditation of the Full-time and Part-time MBA programmes, and accreditation of the Executive MBA programme has been endorsed by the Association's International Accreditation Advisory Board. Accredited status has been awarded for the maximum period of five years, as allowed under the current review cycle, and a re-assessment will be due in May 2009.

On behalf of the Association of MBAs, may I wish you and your colleagues continued success.

Yours sincerely

Dr Robert Owen
Director of Accreditation Services
